An Introduction to Chemistry for Biology Students (9th Revised edition)

By George I. Sackheim

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, An Introduction to Chemistry for Biology Students (9th Revised edition), George I. Sackheim, Introduction to Chemistry for Biology Students, Ninth Edition is a unique workbook that uses a step-by-step approach to teach students the chemistry necessary for success in life sciences courses. Today's biology courses place an increasing emphasis on the chemical processes that underlie critical biological functions. This text helps students review and master all the basic facts, concepts, and terminology of chemistry that they need to understand those processes and to excel in their life science courses.
