A meeting of the class is called and in a very brief space of time one student finds himself business manager of a company - the class - that has decided to edit and publish the largest and best annual that this particular school has ever issued. This manager, and likewise the editor-in-chief, on whom the larger part of the work will fall, frequently are chosen on account of their work in other activities in the school, and not because of special knowledge concerning the publishing business. They usually are the busiest members of the class, yet they must take up this new role - work in which they have had no previous experience - and it is absolutely necessary that they make it a success. I have met these young people year after year and helped them plan and build the book that had first seemed so easy and afterward so difficult or impossible. It is a big task to produce a book that will meet the needs of the school and at the same time be within the means of the annual organization. Consequently it has become obvious that a complete set of tried and well defined plans is necessary if workers are to make a decided success of their venture. I have noticed that frequently the time lost or wasted in the beginning, thru a lack of...
