It is essential when you are planning retirement or have already retired that your financial decisions are based on the facts. Those facts can put dollars in your pocket and help keep them there. RIGHT Answers gives you the factual answers to 260 questions about your Canadian retirement finances. It explains the fundamentals --- and more --- in easy to understand, plain English. It will provide you with knowledge that does not represent the view of any company in the financial services business. This impartial information will let you base the management of your money on what is right, not necessarily what someone with a vested interest might want you to hear. You ll get the lowdown on Canadian government and company pensions, how to create income from your real estate or life insurance, and what investments are best during retirement. Canadian tax issues are addressed throughout the book and also warrant a chapter on their own. From a practical viewpoint, you ll learn how to keep the cottage in the family and what to do if you inherit. Create an estate, leave a legacy, spend less, earn more: it s all part of RIGHT Answers.
