MANAGING BUSINESS AND SERVICE NETWORKS

Book Condition: New. Publisher/Verlag: Springer, Berlin | Most everything in our experience requires management in some form or other: our gardens, our automobiles, our minds, our bodies, our love lives, our businesses, our forests, our countries, etc. Sometimes we don't call it "management" per se. We seldom talk about managing our minds or automobiles. But if we think of management in terms of monitoring, maintaining, and cultivating with respect to some goal, then it makes sense. We certainly monitor an...

I actually started off reading this article ebook. It is writter in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
