Brand New Book ***** Print on Demand *****.Excerpt from Registers of Probate: For the County of Suffolk, Massachusetts, 1639-1799 At the meetings of the Massachusetts Historical Society held in May, 1898, and March, 1900, I gave some account of the Recorders, Clerks, and Registers of Deeds for the County of Suffolk, beginning with the year 1639, when the office of Recorder was first created, and ending with the year 1900. I purpose now to present the result of some researches concerning the Suffolk Registry of Probate, and those who have administered it from the year 1639 to the year 1799. Under our first charter, in the early colonial period, the Registry of Probate and Registry of Deeds were both under a single official, styled the Recorder. The Recorders were succeeded by the Clerks, and finally, under our second charter, by the Registers of Probate and the Registers of Deeds, each of these Registries then having its own executive officer, separate and distinct from the other, as in our own day. Stephen Winthrop was the first Recorder. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
