There is a certain magic that exists between two partners engaged in oral sex, fellatio or cunnilingus, that just does not exist anywhere else in the sexual pantheon. Honestly, many times, in my life I have felt that oral sex is even more intimate than actual sexual intercourse. I love to go down on my committed partners, however, oral sex is something I would never consider with casual partners or one night stands. The magic is just missing. I m sure many of my readers would agree. Many of my friends have been to prostitutes and not one of them has gone down on them. Hopefully, these empirical facts will help to put things in perspective. Oral sex is an act that truly reaches its zenith between two loving partners. However, through my own research, I know that this act is too often ignored to the unsatisfaction of one or both partners in the couple. I hear one of two complaints frequently. The first is that oral sex is not even present in a relationship. One or both of the partners simply won t do it. The other is that oral sex, when it happens, is bad, short and misguided. There are two distinct problems here. The first of these is a technical problem. Learning how to have intercourse is pretty basic. In fact, the lay it out for you in school. Oral sex, on the other hand is not so straightforward. This requires skills that they don t teach you in health class. You have to pick it up as you go along and all too often, people...
