Depressions are not the result of the operation of the market. They are the result of government controls, particularly in the sphere of monetary policy. Professor F.A.Hayek, Nobel Prize winner in Economics. It is because I want to make economics more human that I want to make it more time conscious. Professor Sir John Hicks, Nobel Prize winner in Economics. The most important challenge facing the world economy is the need to strengthen the adjustment mechanism between the growth of supply and demand for primary products. Professor N.Kaldor, Cambridge University. Many people in the Soviet Union are aware that our economic system is not perfect. It is true that the Soviet economy s growth rate has decreased. Professor L.V.Kantorovich, Nobel Prize Winner in Economics. The unemployment of developing economies arises because productive capacity and effective demand have never been at an appropriate level. Professor J.Robinson, University of Cambridge. Schumpeter was wrong when he thought there is a timetable for the disappearance of capitalism. Professor P.Samuelson, Nobel Prize winner in Economics. I am not as optimistic as...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
