Brand New Book ***** Print on Demand *****.How often do you take inventory of the six major areas of your life - spiritual, relationships, health fitness, career, financial, and intellectual - and ask yourself, Am I where I want to be? When we reach the ages of 30, 40, 50 and so on, we often say, I thought I would be better off or further along than I am. Why aren't you better off? If you don't have a vision and a plan to reach your dreams, you'll get fixated in one area or another like trying to lose weight, climb the corporate ladder, being mom, or have no focus at all and flounder through life. This book examines the six major categories of our lives. It provides tools for you to take a pulse check on your life and discover why you are falling short of reaching your dreams. Chart your course by identifying what you want and writing down action plans to get there. Bring them together on your vision board and propel yourself into living your ultimate life vision!.
