

See What a Seal Can Do (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Candlewick Press (MA), United States, 2015. Paperback. Book Condition: New. Kate Nelms (illustrator). Reprint. 244 x 226 mm. Language: English . Brand New Book. Follow a gray seal on a journey from sand to sea in an engaging, richly illustrated story with surefire kid appeal. On the shore, a seal looks like a slow, dozy creature that spends its time lazing around or flumping along the sand. But underwater, it s a different story. Splash! Seal dives deep, with a body just the right shape to shoot through the water and power down with his back flippers. He slips through a seaweed forest, and sensing a predator nearby dives even deeper to stay safe. Finally it s time to make a sudden twist and turn to catch his fishy dinner. Merging a lyrical narrative sprinkled with fascinating facts and aww-inspiring illustrations, here is one nature adventure that s hard to resist. Back matter includes an index.
