It was founded in 1948 with only eight employees by Willi Hess as a small metal foundry. Throughout the years the company has grown continuously and began producing street lighting in the seventies. In cooperation with architects and industrial designers the company oriented toward creation and production of sophisticated lighting concepts and developed to one of the world's leading manufacturers of decorative and architectural street and outdoor lighting. Hess makes his mark with outperforming technological and sustainable products and reference projects like the lighting concept of the Olympia Park in Beijing (Hess AG, 2010a). Following Hess' growth and expansion strategy (Hess, 2010) this paper is going to analyse the Hess company internationalising into another country market. Possible markets will be detected and evaluated. Moreover, an appropriate...
