Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Woman Who Stole My Life, Marian Keyes, International best-selling author Marian Keyes is bringing you another masterfully told story full of wit and charm. 'Name: Stella Sweeney. Height: average. Recent life events: dramatic.' One day, sitting in traffic, married Dublin mum Stella Sweeney attempts a good deed. The resulting car crash changes her life. For she meets a man who wants her telephone number (for the insurance, it turns out). That's okay. She doesn't really like him much anyway (his Range Rover totally banjaxed her car). But in this meeting is born the seed of something which will take Stella thousands of miles from her old life, turning an ordinary woman into a superstar, and, along the way, wrenching her whole family apart. Is this all because of one ill-advised act of goodwill? Was meeting Mr Range Rover destiny or karma? Should she be grateful or hopping mad? For the first time real, honest-to-goodness happiness is just within her reach. But is Stella Sweeney, Dublin housewife, ready to grasp it? Marian's stunning new novel The Woman Who Stole My Life is about losing the life you had and finding a better one. "When it comes to writing page-turners that put a smile on your face and make you think, Keyes is in a class of her own." (Daily Express). "Gloriously funny." (The Sunday Times). "Keyes manages to have you alternately blubbing and belly-laughing to the final page." (Company). "Not only is it a great story with funny, loveable characters, it made me laugh out loud." (Stylist). "One of those rare books that will swallow up your day without realising it. Romantic and uplifting it won't fail to put a smile on your face. Marian Keyes is back to her best." ...
