

Agatha Christie's Murder in the Making: Stories and Secrets from Her Archive - Includes an Unseen Miss Marple Story

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.
(Prof. Loyce Runolfsson Jr.)

AGATHA CHRISTIE'S MURDER IN THE MAKING: STORIES AND SECRETS FROM HER ARCHIVE - INCLUDES AN UNSEEN MISS MARPLE STORY

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Agatha Christie's Murder in the Making: Stories and Secrets from Her Archive - Includes an Unseen Miss Marple Story, John Curran, Agatha Christie's life and career told through the decades, from the never-before-published original ending to her first book to the unused ideas for her last, complete with two unpublished Agatha Christie stories - including a lost Miss Marple. In this follow-up volume to the acclaimed Agatha Christie's Secret Notebooks, Christie archivist and expert John Curran leads the reader through the six decades of Agatha Christie's writing career, unearthing some remarkable clues to her success and a number of never-before-published excerpts and stories from her archives. Starting his investigation in the 1920s, John Curran examines the conventions of detective novels as they existed then and how Agatha Christie's publisher talked her into changing the ending of her very first book, *The Mysterious Affair at Styles*, a move that almost certainly changed the fortunes of not only her career but the future of the whole crime writing genre. For the very first time, this book prints Agatha's original ending, painstakingly transcribed from her notebooks. Every decade saw Agatha Christie's success grow to new heights. The emergence of the world-famous Collins Crime Club in 1930 brought with it the very first Miss Marple mystery, the austerity of the 1940s had Agatha Christie preparing to kill off Hercule Poirot, and the 1950s saw her experiment increasingly with formats influenced by more modern thrillers. Focusing on the detail of more than 20 Christie novels to illustrate this, John Curran shows the evolution of Agatha's writing through the decades, including the influence of the swinging sixties and seventies, concluding the book with a look at Agatha's last notebook, using his Christie knowledge to speculate about what she...
