Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

THE ROAD TO SERFDOM: A CLASSIC WARNING AGAINST THE DANGERS TO FREEDOM INHERENT IN SOCIAL PLANNING

University Of Chicago Press, 1976. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A classic work in political philosophy, intellectual and cultural history, and economics, *The Road to Serfdom* has inspired and infuriated politicians, scholars, and general readers for half a century. Originally published in England in the spring of 1944 when Eleanor Roosevelt supported the efforts of Stalin, and Albert Einstein subscribed lock, stock, and barrel to the socialist program *The Road to Serfdom* was seen as heretical for its passionate warning against the dangers of state control over the means of production. For F. A. Hayek, the collectivist idea of empowering government with increasing economic control would inevitably lead not to a utopia but to the horrors of Nazi Germany and fascist Italy. First published by the University of Chicago Press on September 18, 1944, *The Road to Serfdom* garnered immediate attention from the public, politicians, and scholars alike. The first printing of 2,000 copies was exhausted instantly, and within six months more than 30,000 were sold. In April of 1945, Reader's Digest published a condensed version of the book, and soon thereafter the Book-of-the-Month Club distributed this condensation to more than 600,000 readers. A perennial best-seller, the book has sold over a quarter of a million copies in the United States, not including the British edition or the nearly twenty translations into such languages as German, French, Dutch, Swedish, and Japanese, and not to mention the many underground editions produced in Eastern Europe before the fall of the iron curtain. After thirty-two printings in the United States, *The Road to Serfdom* has established itself alongside the works of Alexis de Tocqueville, John Stuart Mill, and George Orwell for its timeless meditation on the relation between individual liberty and government authority. This fiftieth...
