It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Bring a pot of absurdity to a boil then add liberal doses of humour, two cups surrealism, and a pinch of mystery. Mix thoroughly. Separate into sixteen portions, cool to room temperature, sit back and enjoy as a man discovers that the girl of his dreams is definitely not as she appears. A wayward angel stiffes someone for a restaurant bill. Canada is governed by an agreeable and popular polymorphous blob that cannot see, hear, or speak. An innocent man awakens in a courtroom to find himself on trial for spurning a young woman. A guilty man is awakened and handed a package that he ignores at his own peril. Within these sixteen short stories you will travel into another dimension - a dimension of the mind. A journey into a fantastic realm where imagination knows no bounds. Where dreams and reality make strange bedfellows and logic and madness fight for the blanket. That s the signpost up ahead- your next stop, Neurotica!.
