His is a generation of boys who have better relationships with their Game Boxes, i-Pods, televisions, and computers than they do with their families. His understanding of marriage is that it has little hope for success, witnessing a fifty percent divorce rate both inside and outside of the church. His world is one where pornography is no longer a hidden shame, but encouraged as entertainment. Can you raise your son to one day love, lead, and protect a wife and family in a world like this? The answer is yes. The heartbeat of this book is to give you the tools to help your son become a tender warrior who will one day fight for his family, a godly husband who will faithfully love his wife, and a leader who will be a man of his word. The time is now to take your love, tears, prayers, and influence and pour them into his future. Even if our world does not change its moral fiber, you can influence your son and bring hope to the next generation. It's an opportunity of a lifetime-yours.
