Based on ancient Chinese principles of balance and health, this book gives you a rich understanding of your hidden symmetry - the intricate inner design that influences who you are and how your life unfolds. You can use this knowledge to discover the themes running through your life experience, tap into your core strengths, find lasting love and do your best work in the world. Jean Haner shows you how to ride the waves instead of fight the current of your life, learn how to make best use of what's coming in future years, and understand why things happened as they did in the past. Jean will guide you to discover who you really came here to be, recognize the true nature of everyone you meet and break free of old limitations - and create a life of conscious vitality, joy, ease and love!.
