Hard word search puzzles are excellent for improving language and visual intelligence. This book contains three hundred hard word search puzzles, with two puzzles on each page. The method for solving each puzzle should be familiar to you if you have worked word search puzzles before. However, the format is unique. Each puzzle has nineteen words listed in a vertical column. The word search puzzle is next to the list of words in a box of letter squares nineteen letters by nineteen letters. The solutions can be found vertically, horizontally, or diagonally, either forward or in reverse order. How to Solve Word Search Puzzles In order to achieve success at any task, one needs to know the best way to accomplish the goal of that task. With word search puzzle solving, the goal, of course, is to solve the puzzle. To do so, there are a number of methods one can use. They are as follows: Take a Quick Look Glance at the puzzle and mark the ones you see immediately first. Develop a Strategy As you work your word search puzzle, a strategy will help you to work faster and more efficiently 1) Check beginning letters. One successful strategy is to look for the beginning letter of the word for which you are searching. Then look at the box immediately to the left and right, above and below, and in both diagonal directions for the remaining letters. At this point, you should see the complete word. 2) Work each row in one direction. For example, work all the rows across first. Then choose another direction, maybe backwards across. Continue until the puzzle is completed. 3) Work the...
