DESCRIPTION The Creator of the universe has His eye on the education systems of the world and, in particular, YOUR classroom. He longs to have His Presence expressed in every school, influencing faculty and students alike. Kingdom Tools for Teaching brings both inspiration and practical tools to empower and activate you in bringing the Kingdom of God to ANY classroom. This is not a manual. This is the testimony of our breakthroughs and the tools that came from them. It is our heart to share these tools to inspire you to find your own and to adapt ours for your own classroom and school. We invite you to join us on a journey of stepping out of the mundane and into an adventure with Him that will shape students lives, the course of education and maybe even history itself.
